BETWEEN

The World Secretariat of **United Cities and Local Governments** (UCLG), with fiscal identification number ESG63327696 based in Barcelona, hereafter referred to as **UCLG**, represented by Ms. Emilia Sáiz, Secretary General,

and

The Asociación Civil Internacional de la red de Ciudades, with fiscal identification number RUT: 21 698878 0010 with address at Luis Piera 1992, Edificio Mercosur, Planta Baja, 11800 Montevideo (Uruguay), hereafter referred to as MERCOCIUDADES, and represented by Dr. Miguel Lunghi, Mayor of Tandil and President of Mercociudades.

On the following statements and clauses:

BACKGROUND

- I. For the period June 2021 to March 2022, UCLG implements (in partnership with ICLEI and GCoM) the second phase of the Global-Regional Coordination ("GRC 2.0") project that aims at defining and establishing an effective structure of work to prepare and capacitate UCLG sections to engage with the GCoM activities, in line with each section's climate agenda and priorities.
- II. The activities included in this second phase will focus on the following five common trends: (i) Capacity building, (ii) Mitigation & Adaptation, (iii) Climate Financing & Budgeting, (iv) Enhanced cooperation, and (v) Multi-level coordination.
- III. In order for UCLG to implement these activities and achieve the objectives of this project, the collaboration of UCLG regional Sections via a *Focal Point Team* in each region will be of crucial importance.
- IV. This collaboration agreement aims at covering the expenses incurred by the Section for the work dedicated to this GRC project by their *Focal Point Team*.

IT IS AGREED THAT

- ONE UCLG will transfer part of the funds from the second phase of the Global-Regional Coordination project to MERCOCIUDADES to implement the activities contained in *Annex I*.
- TWO MERCOCIUDADES will use the funds to finance the cost incurred for staff time of its *Focal Point Team* in charge of carrying out the activities included in the Global-Regional Coordination project, and their activities.
- THREE The funds must be used during the period: 1st June 2021 - 31st March 2022. Costs incurred prior or after this period will not be considered eligible.
- FOUR MERCOCIUDADES commits to send to UCLG:
 - a) By 31st December 2021:
 - a narrative and financial report about the expenditure incurred during the period June-December 2021 according to guidelines contained in *Annex II*;
 - an invoice (or a payment request or a Debit Note) dated in 2021 and issued by MERCOCIUDADES to UCLG for the amount claimed.
 - b) By 31st March 2022:
 - a narrative and financial report about the expenditure incurred during the period January-March 2022 according to guidelines contained in *Annex II*;
 - an invoice (or a payment request or a Debit Note) dated in 2022 and issued by MERCOCIUDADES to UCLG for the amount claimed.
 - c) During the implementation period of the project:
 - The development of the activities and actions for Climate Ambition defined based on the regional strategy identified in phase 1 of the project;
 - The specific inputs to the regional coordination protocol;
 - The specific inputs to the Climate Package for Intermediary Cities;
 - Bilateral communication with UCLG WS regarding the regional strategy roadmap and implementation of the protocol;
 - Trilateral communication between WS, GCoM and Regional section
 - Trilateral communication between UCLG WS, ICLEI WS and regional offices and regional sections when needed
 - Active participation in specific GCoM Technical Working Groups;
 - A report on the regional activities and actions carried out
This should be done in collaboration with ICLEI regional office (if any).
 - d) At any time (only if requested): any additional information that UCLG or the Global-Regional Coordination might require.

- FIVE In the framework of this agreement, UCLG will transfer up to a total amount of €28,000 to MERCOCIUDADES upon receipt of the reports mentioned in clause FOUR, and all other obligations contained in this agreement.
- SIX UCLG will transfer the funds to the following MERCOCIUDADES account:

La presente propuesta se enmarca en base la experiencia de la Red MERCOCIUDADES, en su carácter de sección latinoamericana de CGLU, en su participación en la primera fase de "Global Regional coordination Project". Este proyecto tiene como objetivo fortalecer los mecanismos de coordinación regional – global con miras a estructurar actividades de acción climática en asociación con ICLE y GCoM.

Esta propuesta tomara la experiencia, logros y aprendizajes de la primera fase del proyecto y tendrá como objetivo profundizar y fortalecer el desarrollo de los mecanismos de Coordinación Regional vinculados a GCoM y el desarrollo de actividades regionales que promuevan la iniciativa GCoM y permitan implementar los resultados obtenidos en la primera fase del proyecto.

En función del Rol de MERCOCIUDADES como regional latinoamericana de CGLU la siguiente propuesta propone promover los posicionamientos políticos y consecuentemente fortalecer la voz de los gobiernos locales en un contexto complejo.

La presente propuesta ha sido elaborada por el equipo de la Red MERCOCIUDADES a cargo de la participación en el Comité Directivo Regional del Pacto Global de Alcaldes por el Clima y la Energía (RDC-GCoM).

En base la experiencia y necesidades identificadas durante el desarrollo del RDC – GCOM entre 2020 hasta el primer semestre de 2021, surgen las siguientes propuestas para el periodo **segundo semestre 2021 – primer trimestre 2022:**

1. Participación expresa en la articulación regional CGoM-ICLEI-CGLU-MERCOCIUDADES. Participación política y apoyo técnico, desde el punto focal y la STPM, con los recursos humanos y técnicos acordados. Además del apoyo en gestión y comunicación hacia la región, en articulación estrecha con CGLU.
2. Desarrollo de una plataforma que pueda generar, una base de datos de proyectos de experiencias de gobiernos locales en materia de acción climática que promueva el intercambio de experiencias procurando unir "oferta y demanda".
3. Desarrollo de un evento de sensibilización a municipios en la cumbre XXVI Cumbre de MERCOCIUDADES a realizarse del 1, 2 y 3 de Diciembre de 2021. A su vez presentar las principales conclusiones de la COP 26 relevantes para los Gobiernos Locales de la Región.
4. Realizar durante el primer trimestre 2022 al menos un (1) evento de presentación de la iniciativa GCoM en ciudades de la red MERCOCIUDADES: Presentación y recopilación de buenas prácticas, desarrollo de financiamiento.

Cronograma

REPORT ON EXPENDITURE - GUIDELINES

1. WHAT COSTS ARE ELIGIBLE?

Eligible costs: SALARIES or EXTERNAL CONSULTANT FEES depending on the Focal Point Team members contracting method

In order to be eligible please note that the above-mentioned costs must meet the following requirements:

- Cost have to be included in the project Budget
- Cost must be necessary for the action, be directly related to the activity;
- Cost must be real cost, i.e. actually incurred by the beneficiary of the grant within implementation period;
- Cost must be recorded in the accounting books of the beneficiary;
- All cost must be reasonable, justified, verifiable and identifiable, supported by original and accurate records;
- The accounting rules and regulations of the Organisation shall apply, provided that they conform to the internationally accepted standards. Otherwise, UCLG's Financial regulations and procedures of internal control, accounting, audit and procurement shall be applied.
- Comply with the requirements of applicable tax and social legislations;
- Reasonable and justified; comply with sound financial management (in particular regarding economy and efficiency)
- Any leasing cost.

2. REPORTING AND SUPPORTING DOCUMENTS

Requested supporting documents depend on the type and nature of the expenditure and the undertaking actions but in any case, include proofs of purchase, completion, payment, commitment, relevance and transparency. The table below indicates the supporting documents that the Implementing Partner should obtain and provide to UCLG at the time of reporting following the schedule indicated in the agreement.

Expense Type	Internal staff / External consultant fees
(1) Proof of purchase	Payslip / Invoice
(2) Proof of completion	Time sheet
(3) Proof of payment	Bank statement or bank receipt
(4) Proof of commitment	Contract
(5) Proof of relevance	CV
(6) Proof of transparency	(For External consultant fees) If the expense is: - under 5,000€: no special procedure - over 5,000€: Terms of Reference, bidding process, minimum of 3 bids

UCLG will check that:

- Cost are ELEGIBLES,
- ORIGINAL documents are included,
- Exchange rate are in accordance with EU fixed rate, and
- Timesheet are properly fulfilled and signed

And will record in UCLG books all the individual expenses.

For any change or amendment to the activities, the budget, including transfers between budget headings, the required agreement from UCLG will be necessary and the request will need to be submitted to the European Commission for approval, if such is the case. Changes are to be limited and duly justified.

3. EXCHANGE RATES

Where actual expenditure is incurred and paid in any other currency than EURO the conversion into EURO shall be done at monthly rate published in InforEuro during financial reporting. These rates referred to on the InforEuro rates can be found on the following web address:
http://ec.europa.eu/budget/contracts_grants/info_contracts/inforeuro/inforeuro_en.cfm

Only this exchange currency website is valid. Should Exchange difference arise they must be supported directly by the recipient. Exchange rate differences are not eligible cost.

Expenditures are recommended to be made in Euro to the possible extend. This minimises the risk incurred by currency fluctuation and eases financial reporting.

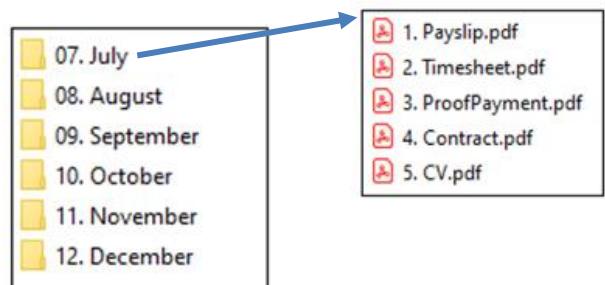

4. REPORTING SUMMARY

Apart from the requested supporting documents mentioned in Point 2 above, a summary of expenses claimed will be presented and submitted to UCLG using:

- The document included in the "Summary" tab of the "Timesheet Template" Excel file in the case of salaries.
- The Financial reporting form included in Annex IV in the case of external consultant fees and activities.

5. REPORTING FORMAT

In order to facilitate the process of reporting, please send the documents in a clear and organized format. See here an example of reporting for salaries:
